Big time pro sports teams. Thrilling outdoor adventures. Endless retail and restaurant brands. Easy access to airports. And some of the world's best golf courses. Then there's nearby metro Phoenix with all the art, culture, dining, and entertainment you'd expect from the sixth largest city in America. As much as we all love to get out and experience this great city's energy, it's nice to know the small town charm of Verrado is waiting for you at home.
